

We're very close to beginning the registration process with Expedia Group!

For now, the next steps are:

1. Check your inbox (in case you don't find the email, please check your "spam" folder), you should receive an email from the address noreply@expediapartnercentral.com

2. Open the email and select "Get started today". It will redirect you to Partner Central, here it will ask you to establish a password for your login credentials.

3. Select the "submit" button.
